

The Update is a bi-weekly web newsletter published by the Iowa Department of Public Health's Bureau of Family Health. It is posted the second and fourth week of every month, and provides useful job resource information for departmental health care professionals, information on training opportunities, intradepartmental reports and meetings, and additional information pertinent to health care professionals.

In this issue...

Men's Health

The National Women's Health Information Center, www.womenshealth.gov provides a Men's Health section, which offers tools to help men of all ages and backgrounds live stronger, healthier, and even longer lives.

If you're a woman concerned about the health of a man, you're not alone. Of course, men need to take charge of their own health. But you can offer great support and information.

If you're a man, you can learn some simple steps to build your health. Today, many conditions can be treated if they are found early — and many conditions can be prevented before they even start. Take care of your health for yourself, your future, and the people who need you!

On these pages, you can learn about a lot of men's health topics, including:

- Top health concerns for men
- Tips for a healthy life
- Depression and other mental health issues
- Sexual concerns
- Urinary health
- Ways to prevent violence
- Tips for teens
- Aging well
- Minority men

How much do you know about men's health?
Find out by taking a quiz at
www.womenshealth.gov/mens/tips/quiz.cfm.

Oral Health Recent Events

School Dental Screening Requirement

Audit results for the second year of implementation of the school dental screening requirement are now available and posted on the Oral Health Bureau webpage. The audit report represents all schools with useable audit data. For some schools, audit forms were not submitted or the submitted forms were not useable due to incorrect data.

According to the Iowa Department of Education *Annual Condition of Education Report*, there were 81,287 students enrolled in kindergarten (42,071) and 9th grade (39,216) in 2009-2010. Useable audit data was submitted for 65,300 students, for a compliance rate of **80 percent**. *(Note: Based on available data, it is not possible to determine the percent of compliance for transfer students in grades 1-6 or 10-12).*

For those students included in the 2009-2010 audit report:

- 70 percent submitted valid screening documentation
- 16 percent had treatment needs (required dental care or urgent dental care)
- 94 percent were screened by a dental professional (dentist or dental hygienist)

The comprehensive audit report summary includes three sections: a state summary; a school summary with detailed data by county, district and school; and a key that defines the data categories.

To view the report summary, go to www.idph.state.ia.us/hpcdp/oral_health_school_screening.asp.

Inside I-Smile™: 2010

The annual I-Smile™ report is available on the Oral Health Bureau webpage at www.idph.state.ia.us/hpcdp/common/pdf/oral_health/inside_ismile_2010.pdf. SFY2010 was another successful year for I-Smile™. More at-risk Iowa children are receiving dental services. The work done by I-Smile™ coordinators and other staff within Title V child health agencies has been critical to the project's success and the ability of families to access dental care for their children.

Changes to Medicaid Billing for Oral Health Screenings

Effective February 1, 2011, a "DA" modifier must be included when billing Medicaid for any oral health screening. The DA modifier applies to codes D0120, D0145 and D0150 and indicates that the screening was provided by a health professional other than a dentist. All screening centers and maternal health centers are required to use the DA modifier when applicable. The reimbursement for the screening does not change due to this modifier. Please refer to the Iowa Medicaid Enterprise Informational Letter #976 that details the use of the DA modifier for billing. Informational Letter #976 can be viewed on page 6 of **The UPdate**.

Administration/Program Management

National Change in Coding Flu Vaccine

A national change in CPT coding is altering the way in which flu **vaccine** must be coded when submitting claims. Note that the information below pertains to the **flu vaccine code** (not *administration* of vaccine).

Effective January 1, 2011 Code 90658 (influenza virus vaccine, split virus, when administered to individuals 3 years of age and older, for intramuscular use) will no longer be available for coding flu vaccine. In its place, the following codes should be used for the vaccine (as applicable):

- Q2035 - Influenza virus vaccine, split virus, when administered to individuals 3 years of age and older, for intramuscular use (Afluria)
- Q2036 - Influenza virus vaccine, split virus, when administered to individuals 3 years of age and older, for intramuscular use (Flulaval) (Note that this flu vaccine is not available under the VFC program)
- Q2037 - Influenza virus vaccine, split virus, when administered to individuals 3 years of age and older, for intramuscular use (Fluvarin)
- Q2038 - Influenza virus vaccine, split virus, when administered to individuals 3 years of age and older, for intramuscular use (Fluzone)
- Q2039 - Influenza virus vaccine, split virus, when administered to individuals 3 years of age and older, for intramuscular use (Not Otherwise Specified)

Home Visiting Program Inservice and Bureau of Family Health Grantee Committee Meeting

Several grantees (executive directors and project managers) and state staff are scheduled to participate in an IDPH Quality Improvement Champion Training on January 20th. Due to this scheduling conflict, the Grantee Committee meeting has been rescheduled for February 15, 2011 from 9-11:30 a.m. via the ICN (a listing of ICN sites can be viewed on pages 7-8 of **The Update**). Attendance at the February 15 Grantee Committee meeting will not be required, but if you are not able to attend, please send an e-mail to Heather Hobert Hoch at hhobert@idph.state.ia.us.

In the interest of sharing timely information, we will use the January 20th ICN time to offer a presentation on the Home Visiting Program from 9-10:30 a.m (a listing of ICN sites can be viewed on pages 9-10 of **The Update**). State staff will provide an overview of the Home Visiting Program, who will be funded, and share federal program guidance. This inservice is available to any agency interested in the home visiting program, registration is not required.

STATE OF IOWA

CHESTER J. CULVER, GOVERNOR
PATTY JUDGE, LT. GOVERNOR

DEPARTMENT OF HUMAN SERVICES
CHARLES J. KROGMEIER, DIRECTOR

INFORMATIONAL LETTER NO. 976

DATE: January 1, 2011

TO: Iowa Medicaid Screening Centers and Maternal Health Centers

ISSUED BY: Iowa Department of Human Services, Iowa Medicaid Enterprise (IME)

RE: Billing for Oral Health Screening (D0120, D0145 and D0150)

EFFECTIVE: February 1, 2011

Procedure code modifier "DA" for "oral health assessment by a licensed health professional other than a dentist" has been added to the Medicaid claims payment system. In order to comply with the billing requirements in the Health Insurance Portability and Accountability Act (HIPAA), the DA modifier should be used whenever screening centers and maternal health centers bill D0120, D0145 and D0150. Use of the modifier is for informational purposes only and will not affect payment.

If you have any questions, please contact the IME Provider Services Unit, 1-800-338-7909, locally 515-256-4609 or by e-mail at imeproviderservices@dhs.state.ia.us.

***** Per Informational Letter 962, Informational Letters are no longer sent on paper*****
