Independence Day Schedule

There will be no change to the order and delivery schedule for the Independence Day holiday.

Route & Policy Changes

With the rapid and significant growth in sales and delivery points, it is now necessary to modify the delivery system to achieve a long term, sustainable model. **New routes will be effective the week of July 8, 2013.** We cannot stress enough the importance of timely placing orders as the trucks will begin pulling out of the warehouse shortly after the cutoff time. Anyone who misses the deadline may still utilize Warehouse Pickup Service. *Will-call hours will be 7:00 am to 3:00 pm with pick-ups from 10:00 am to 5:00 pm.*

Another necessary change is the six cases minimum. Under the current business model, the Division cannot effectively use the maximum available space in each trailer. **Therefore, effective July 1, 2013, the policy for minimum cases per order will be changed to ten cases.** This change will create additional efficiencies in the use of trailer space.

Please contact Eric Ridenour at Ridenour@IowaABD.com with any questions regarding these changes.
