New Operating Permit & Emission Inventory V Supervisor

Marnie Stein has accepted the position of Environmental Program Supervisor for the Emissions Inventory and Operating Permit Section. She started her new position Friday, August 7th.

Marnie has been with the bureau for 22 years; starting as a Environmental Specialist in Title V, then promoted to Environmental Specialist Sr. in Emissions Inventory. Marnie has a bachelor's degree in Environmental Studies and just completed her Certificate of Public Management. Please welcome Marnie to her new role within Environmental Services!

A note on Iowa DNR and COVID-19

The Iowa Department of Natural Resources is working with state and local officials to reduce the spread of COVID-19 and has transitioned employees to work remotely. DNR offices are closed to the public during this time and only available by appointment.

In another effort to further reduce the spread of COVID-19, the DNR is encouraging the use of the online services for submitting applications, payments and other daily tasks and interaction with DNR staff.
